

S. No.	Anaesthesiology Publications
1	Efficacy and safety of Clonidine and Dexmedetomidine as an adjuvant in supraclavicular brachial plexus block for elective upper limb surgery: A prospective randomized double-blind study. Yogesh Tilkar, Sangeeta Bansal Agarwal, Rahul Gupta, Prabha, International journal of medical science and public health, Accepted on 13/06/2017.
2	A comparative clinical study of intrathecal dexmedetomidine 5 microgram with dext. 10microgram with 0.5% hyperbaric bupivacaine 17.5mg elective total abdominal hystereotomies. Journal of Anesthesiology clinical pharmacology 0970-9185. Accepted on 20/11/2016.
3.	To compare the efficacy of palonosetron and ondasteron to control POVN. International J. of Healthcare and Biomedical Research, ISSN:2319-7072. Volume: 05, Issue: 01, October 2016, Page.no.30-40.
4.	To compare the efficacy of Palonosetron and ondasteron to control PONV. K. K. Khan, Saroop, Neha, Prabha, Rahul Kumar, International Journal of Healthcare and Biomedical Research. Oct 2016. VoL. 5. Issue 1, pp 30-40.
5.	Comparative study of intravenous dexmedetomidine and intravenous propofol infusion for monitored anesthesia care in patients undergoing tympanoplasty under local anesthesia. Sangeeta Bansal Agarwal, ShashankShekhar, SanjivaniKarmarkar, Ankit Gupta, Rahul Gupta, European Journal of Pharmaceutical and Medical Research. 2016.Vol. 4. Issue 1, pp102-107.
6.	Clinical implication of lactate monitoring in intensive care unit: An observational study. Uday Reddy, Nisha, B. Khanam, JMSCR.2016. Vol4. Issue 9, pp 12441-12450.
7	To compare the effects of general anaesthesia versus spinal anaesthesia on Apgar score of neonates in elective caesarean section. Swarnbala Solanki, European journal of Biomedical and Pharmaceutical Sciences. Sept 2015/Vol. 2/Issue 4, pp1211-1220.
8	Effect of adding Clonidine versus Fentanyl to Intrathecal Bupivacaine on spinal block characteristics in Orthopedic procedures: A double blind controlled study. YogeshTilkar , Sangeeta Agarwal Bansal, Gauri Shankar Agnihotri, International Journal Of Medical Science and Public Health/2015/Vol. 4/Issue 4, pp 458.
9	Study between intra thecal hyperbaric bupivacaine & hyperbaric bupivacaine with clonidine for orthopedic surgery. A randomized double blinded study. DMIMSU-DU 2012 0974-3901 Online ISSN no 2250-1231. Vol. 7/Issue 2/ April-June 2012/p-93-96.
10	Ilio inguinal nerve block for post operative analgesia in lower abdominal surgery done through pfannenstiel incision. K.K.Khan, DMIMSU-DU/ Vol 5./Issue 4/dec-2010/Pg-215-217.
11	Muscle twitching and hiccups with propofol. Journal of Anesthesiology clinical pharmacology 0970-9185. Vol. 27. /Issue 3/July 2011/P 418.
12	Anesthetic management of a case of chronic idiopathic(lone) atrial flutter posted for vaginal hysterectomy. DMIMSU-DU 2011/ Vol. 6/Issue 3/July-Sept 2011/P 163-165.
13	Marfan syndrome – Anesthesia management of a case of of marfan syndrome with dislocated lens of mature cataract both eyes. DMIMSU-DU/2014/Vol. 9/Issue 3/2014/P 196-198.
14	Sangeeta Agarwal Bansal, Vinita Bansal: A randomized controlled Double-Blinded prospective study of the efficacy of low dose of Dexmedetomidine as an adjuvant o Intrathecal Bupivacaine in Hysterectomies. International Journal Of Medical Science and Public Health. 2014. Vol. 3. Issue 7.
15	SangeetaAgarwalBansal, Vinita Bansal: Brain lesion in Eclampsia. J Pharm Biomed sci. 2014. Vol. 04. Issue03, pp241-245.

16	Sangeeta Agarwal Bansal, Vinita Bansal: Efficacy of Intrathecal Clonidine in peri-operative pain relief in Hysterectomies. J Pharm Biomed Sci. 2014. Vol. 04. Issue 01, pp09-13.
