Vice-Chairman's Message

Education is the foundation and cornerstone of society, the guiding light as humanity made its way in quest of the unknown. While the art and science of education have evolved, a sense of virtue and knowledge, as well as sensitivity to others' needs, have remained constant. Habits, attitudes, and skills enable us to explore and flourish. At Index Homoeopathic College, Hospital & Research Centre, we strive to understand the fundamental purpose of education by providing opportunities and an environment that is encouraging, challenging inspirational, and exciting to our students.

I am proud of the parents and instructors that value the nature and reassure their children in order for them to evolve into mature, sensitive, and responsible citizens of the country.

We want all of our students to pursue their passions, blaze new trails, and open new doors so that they can achieve and prosper as outstanding physicians after graduating from our esteemed institution.

Best wishes,
Mr. Mayankraj Singh Bhadoria
