GRIEVANCE REDRESSAL COMMITTEE

The students of the College are from different parts of India with different customs, culture and habits. These students who are under one roof for learning may face difficulties in adjustment. The complaints and suggestions of the students are properly addressed to the Grievance Redressal Cell either directly or indirectly through complaint/Suggestion boxes placed at crucial locations.

The grievance reported are analysed, root cause is identified and is effectively redressed through appropriate action. The College also assures that the grievances of the students are treated with confidentiality. The committee conducts meeting periodically and redress the grievances.
